WIDE BODY CAMPING TRAILERS

*Dedicated to Improving  
the Great Outdoors*

# M.A.C. WIDE BODY CLASSIC

Experience the great outdoors like you've never known before in a Flagstaff Classic camping trailer. This line of affordable campers is designed to bring comfort and adventure together in a thoroughly enjoyable camping experience. Seven models are available, each one loaded with popular standard features and value-adding options. Lightweight for easy towing, they're built tough and rugged to deliver years of fun and special memories.

M.A.C. Classic Model 820 Featured

Our designers understand what camping families need. That's why you'll find so many handy features. Easy access storage, inside/outside cooking facilities, and comfortable sleeping accommodations all contribute to the good times you'll enjoy in your Flagstaff Classic camper.

Making and breaking camp is quick and easy thanks to durable hardware and components that function reliably year after year. Close examination will reveal the quality of our materials and construction methods, giving you long-lasting value for your investment.

To ensure the durability of your Classic Series Camper's exterior, these campers feature an all fiberglass exterior.

# M.A.C. WIDE BODY

The M.A.C. is our line of most affordable campers. The attractive interiors are efficiently designed for comfort as well as function with all the necessities and amenities included. Just add family and fun and you've got what it takes for a great vacation.

M.A.C. Model 228 Featured

With six models to choose from, there's one that's perfectly suited to your family. Each one is equipped with many unique features and comfortably sleep at least six persons. Roomy bunk mattresses and seat cushions are made with a full four inches of foam and covered with a durable, easy-care material.

The inside/outside moveable gas stove, aluminum entrance door with sliding screen, and exterior receptacle for electrical hook-up are just a few of the features that add convenience and value.

## Flagstaff Lifter Systems (All Flagstaff Models)

Flagstaff's Cable Lifter System is the easiest operating of all cable drives. A single cable and pulley, fully enclosed flexible steel push rods and master tube with zerk grease fittings allow smooth operation and minimal maintenance. Backed by a limited lifetime warranty to the original purchaser.

**Warranty** For details on Flagstaff's complete warranty program, see your Flagstaff dealer. When it comes to backing its products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is FLAGSTAFF.

Flagstaff offers the following limited warranties to the original purchasers. Consult the written warranty for details.

1. 5-year roof warranty
2. 10-year floor warranty
3. 5-year frame warranty
4. 5-year tent warranty

Contact your Flagstaff Dealer for information on the lifetime warranty available to you.

Flagstaff camping trailers are designed to meet the varied needs of the customer. It is the responsibility of the owner to select the proper load combination for his individual needs without exceeding the listed axle weight capacities.

The information in this brochure is the most current available at the time of printing. Flagstaff's continuing product improvement program may change colors, options, specifications, floorplans, components, and materials without obligation to the manufacturer. Some items shown in photos may be extra cost options.
