FLAGSTAFF

BY FOREST RIVER

TENT CAMPERS

DISCOVERY 147

Each Flagstaff Classic model comes with an abundance of cabinet storage, two large queen size beds, as well as a roomy dinette and sofa that both convert to beds.

You'll love the way the MAC/LTD's gas grill and accessory table conveniently mount to the exterior of the trailer.

The handy exterior shower (available with hot water package) makes sure that "messes" stay outside.

MAC/LTD SERIES

Whether your family desires to escape for the weekend or enjoy an extended vacation without the hustle and bustle of civilization, the popular MAC/LTD Series from Flagstaff is just what you've been looking for. With models ranging in size from 17'-22', the Flagstaff MAC series is sure to have a floorplan that fits both your family's needs and budget.

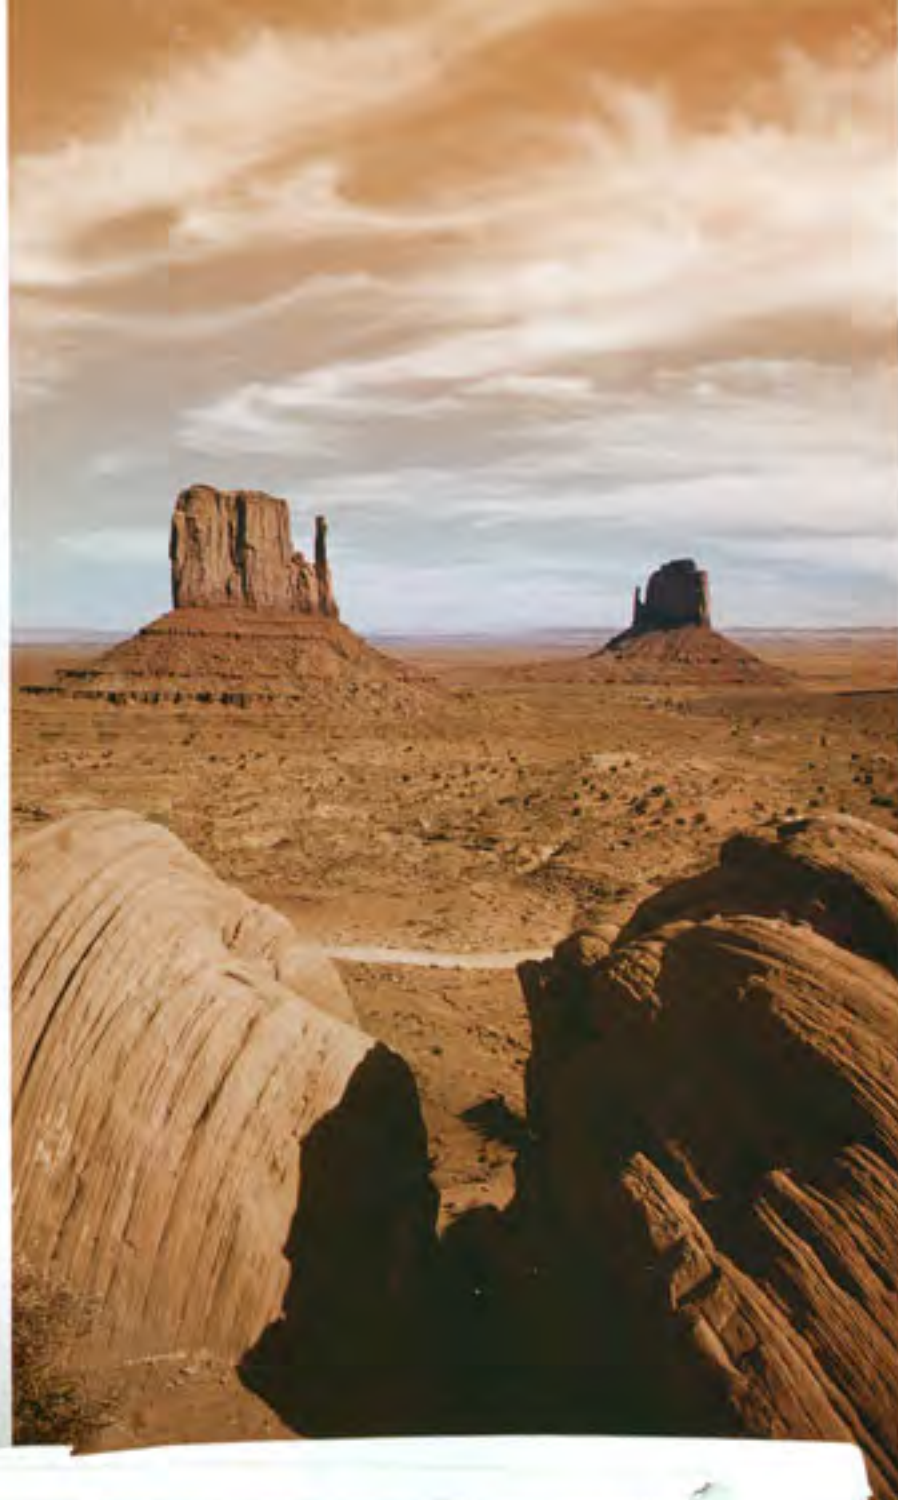

Flagstaff owners appreciate the time and effort that has gone into the engineering of each model, creating innovative living areas such as this slide-out model which increases the interior spaciousness by nearly 25%.

Flagstaff's beated, quilted innerspring mattresses provide sleeping comfort, especially on chilly nights.

The 3-speed Create-A-Breeze fantastic vent keeps air circulating for more comfortable camping.

CLASSIC SERIES

Choose the Flagstaff Classic Series of tent campers from Forest River for the most affordable, best-built, camping trailers on the market. The Flagstaff Classic Series features eleven floorplans, ranging in size from 20' - 23', each designed to provide your family luxurious living conditions even in the most remote areas.

Steel air conditioner reinforcing is laminated into the roof.

Vinolon supreme sectionalized five piece tent.

Smooth filon exterior

Powder coated tubular steel frame

FLAGSTAFF CONSTRUCTION

A water pump is standard on all Flagstaff Tent Campers.

You'll appreciate the handy exterior electrical recepts.

The optional spare tire is conveniently mounted on the rear bumper.

The slide-out exterior storage tray means you can take all of your toys on your get-a-way.

Fiberglass vacuum-bonded radius roof with no center seam.

Powder coated rafter poles and bed bows.

Plywood bunk ends with full perimeter aluminum bed frames. (1,000 lbs. capacity)

Crank-down jacks with sand pads make stabilizing your unit fast and easy.

Our 3-stage double arm lifters are twice the size of many of our competitors.

The optional hanging pantry provides additional convenient storage space.

A full size screen door is standard on all Classic and MAC models.
