Camping with the family in Autumn can be a beautiful experience. As warmer days move to colder nights, you will love the heated inner-spring mattress for a warm comfortable night’s sleep. If you desire more air circulation in the camper, turn on the Fantastic Fan and the warmer air will be expelled in moments, bringing fresh air in its place.

Flagstaff's Classic series has much to offer the camping enthusiast. From the expansive sliding storage trunk for that extra packing space, to a bunk light and air circulating fan, the convenient hanging shirt bar to place your clothes, and standard hot water package with outside shower are some of the trademarks that make the Flagstaff Classic luxurious.
The 823 Classic has many new features to enhance your camping experience. The swing-down galley and standard power lift make the Classic a breeze to set-up. The upgraded stereo and exterior speakers allow you to listen to music in your camper or while you’re hanging out by the camp fire.

H. Swing Down Galley (Most Models)
I. Stereo with CD Player (STD. Classic, HW)
Cream colored cabinetry, stainless steel finishes and beautiful wood-look flooring puts this camper in a class of its own. The Flagstaff High Wall Campers are perfect for those families who want the luxurious features of a travel trailer in a much lighter towable option. It’s your vacation. Go in style.
HIGH WALL SERIES

No more waiting in line for the showers. Take a morning shower in privacy without leaving your camper while breakfast is started. Our high wall models include a three burner range, microwave, stereo, a larger kitchen sink and shower which brings the finer amenities to tent camping.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2007 Flagstaff customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE.
THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant’s quality assurance personnel and the units are “green” and ready to ship.
