POPULAR FEATURES

A. Swing Down Galley (Most Models)
B. Sliding Storage Trunk (Some Models)
C. Outside Shower (STD.)
D. Outside Speaker (STD.)
E. Bunk Light & Fan (STD.)
F. Hanging Shirt Bar (STD.)
G. Porta-Potty (STD 620ST & 425D)
H. Crank Down Stabilizer Jack with Sand Pad (STD.)
I. Stereo With CD Player (STD.)
The Classic series has many outstanding features to enhance your camping experience. The swing-down galley and standard power lift make the Classic a breeze to set-up. The expansive seating throughout the camper gives everyone plenty of room to sit and enjoy themselves.
Cherry-colored cabinetry, stainless steel finishes and beautiful tile-look flooring puts this camper in a class of its own. The Flagstaff High Wall Campers are perfect for those families who want the luxurious features of a travel trailer in a much lighter towable option. It's your vacation. Go in style.
A. Fantastic Fan (Std. Opt.)
B. Water Filter (Std. w/ Hot Water Package)
C. Power Lift With Manual Override (Std. Classic, HW)
D. Beautiful hardwall shower with a residential-style flush toilet complete with a 12-gallon black water holding tank. (Std. HW)

Left: No more waiting in line for the showers. While breakfast is started, take a morning shower in privacy without leaving your camper. Our high wall models include a three burner range with cover and oven, microwave, stereo, a larger kitchen sink and shower which brings the finer amenities to tent camping.

ALKO® AXLES AND EASY LUBE HUBS
AL-KO Axles offer many advantages over conventional axles:
· Fully independent wheel suspension.
· Lower trailer center of gravity for improved stability.
· No metal to metal contact and no springs, shackles, hangers, or U-bolts to break or wear out.

The UltraLube™ Hubs allow you to repack bearings quickly and easily without disassembly. Note: Torsion Axles on Classics and HW only. Easy-Lube Hubs on all units except LTDs.

Model number of any particular unit does not necessarily reflect the overall length of the unit itself. Dry weight are estimates.
Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.

2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a “home town” professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River’s goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

For details on Flagstaff’s complete warranty program, see your Flagstaff dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you’re looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

All specifications contained herein are based on the latest product information at time of printing. Forest River reserves the right to make changes in colors, materials, equipment and specifications at any time Without notice and assumes no responsibility for any errors in this brochure.
