

Millersburg, Indiana is a special place with special people. This is a town built upon care, craftsmanship, and teamwork. Millersburg is our home and we're grateful for the opportunity to employ many of our neighbors, friends, and families. Flagstaff is a proud employer of multiple generations of Millersburg residents and our quality-first reputation is second to none, thanks to our Millersburg home.

We're happy to have zero stoplights, two banks, two parks, one gas station, one car mechanic, an elementary school, and a few churches in our humble corner of Elkhart County.

We work hard, care, build, craft, and take care of each other and our families. Millersburg keeps North America camping, one Flagstaff at a time, made with pride *and* value.

This is our town.

Flagstaff is *happy* to be:
